Join Therapeutic Arts Practitioners Lindsey and Molli to make art with personal meaning! This monthly program will help you learn to use art as a tool for processing experiences and expressing emotions through creative prompts, which are beneficial to your emotional and mental wellness. You don't need to be an artist or feel creative to join; just bring an open mind and a willingness to explore through different mediums, such as watercolors, acrylics, and collage.

Ages 18+. Please bring \$10 cash to each class. Register for one or all. (A valid library card is required.) This month's class will be held on **Thursday, March 20 from 6-7:30 p.m.** in the Library Program Room.

(Please note: This class is not therapy.)
